

STATEMENT OF PROBABLE CAUSE
(For issuance of an arrest warrant or summons)

I state that on August 26th, 2021 while exercising my duties as a law enforcement officer in the District of Alaska within Denali National Park

I received a report from the rangers at the Savage Check Station that a red sedan had failed to stop at the stop sign at the Savage Check Station and proceeded through the 15mph zone at a high rate of speed. The vehicle was estimated to be traveling around 45mph. At approximately mile 7 of the Denali Park Road, I observed the listed vehicle traveling eastbound. I lost sight of the listed vehicle for approximately 1 mile but noticed tire marks on the wet road that crossed the double yellow line, entered the westbound lane completely, and came back into the eastbound lane multiple times. There were no other vehicles between me and the listed vehicle. When I caught up to the listed vehicle, I observed it cross the double yellow line with all four tires and continue eastbound, driving on the wrong side of the road. It did this multiple times and almost hit a vehicle traveling in the westbound lane. The listed vehicle was driving erratically by accelerating and braking randomly several times. At approximately mile 3 I contacted the vehicle and identified Jeffery J. BUCKLEY by his Alaska Operator's License as the driver. When asked simple questions such as rolling down windows, his travel itinerary, and for identification BUCKLEY responded with statements that did not make sense such as he was speeding because a polar bear in the sky was chasing him. BUCKLEY admitted to me and Officer Olson that he had consumed a alcoholic beverage, marijuana, and rose hips. I attempted to put BUCKLEY through the Standardized Field Sobriety Tests, but he was unable to follow my instructions. I observed BUCKLEY's eyes were blood shot and glassy. Also, his pupils did not change shape or size in various light conditions or after he had them closed. I observed open containers of alcoholic beverages on the dash, a glass bong in the center console, and marijuana around the driver's seat.

Jeffery J. BUCKLEY was arrested and cited for 36 CFR 4.23, operating a motor vehicle under the influence of alcohol, or a drug, or drugs, or any combination thereof, to a degree that renders the operator incapable of safe operation.
